**AGREEMENT BY AND BETWEEN
BLOOMINGTON BOARD OF EDUCATION, SCHOOL DISTRICT 87, AND
BLOOMINGTON EDUCATIONAL SUPPORT PERSONNEL, IEA-NEA**

This Agreement is made and entered into by and between the Bloomington Board of Education of School District 87, Bloomington, Illinois (hereinafter referred to as the "Employer"), and the Bloomington Educational Support Personnel, IEA-NEA (hereinafter referred to as the "Union").

ARTICLE 1: RECOGNITION AND DEFINITIONS

1.1 Recognition The Employer recognizes the Union as the exclusive bargaining agent for all regular full-time and regular part-time Employees in the following job classifications: Custodian; Material Handler; Warehouse Clerk; Night Leader, Head Custodian; Maintenance I; and Maintenance II (hereinafter referred to as "Employee"). Except by prior approval of the Union, the maximum number of part-time Employees shall be limited to eight (8) at any one time. Employees in confidential, supervisory, short-term, temporary, and managerial positions are excluded from representation by the bargaining unit.

1.2 Supervisors Employees assigned to the following job classifications are excluded from the bargaining unit as supervisors: Custodian Supervisor and Maintenance Supervisor. Employees assigned to such job classifications may continue to perform bargaining unit work, in addition to their supervisory duties, provided that no bargaining unit Employee is laid off.

1.2.1 The Employer retains the exclusive right to select and hire supervisors from any source. Should the Employer select a bargaining unit Employee for a supervisory position, and should such Employee accept such offer, the Employee's bargaining unit seniority will continue to accrue for thirty (30) days after leaving the bargaining unit. If the Employee continues in the supervisory position beyond thirty (30) days, he shall cease to accumulate bargaining unit seniority.

1.2.2 A supervisory Employee who has been employed in the bargaining unit may utilize his bargaining unit seniority (i.e. time spent in the bargaining unit) to bump back into the bargaining unit should the Employer decide to relieve him of his supervisory duties. In the event such a supervisor is discharged, he shall have no right to return to the bargaining unit. A supervisory Employee who voluntarily returns to the bargaining unit will be credited with the seniority accrued from prior bargaining unit work and will begin accruing seniority from the date of his return; provided, however, such supervisory Employee shall remain in his position for a maximum of sixty (60) days or until a replacement has been obtained. If there is no open position in the bargaining unit, such returning supervisory Employee may use his seniority to bump the bargaining unit Employee with the lowest seniority.

1.3 Definitions When used in this Agreement, the following definitions of terms shall apply:

1.3.1 "School District" or "District" means the Bloomington Public Schools, District 87, Bloomington, Illinois. The term "District" and the term "Employer" are synonymous as used herein.

1.3.2 "Superintendent of Schools" or "Superintendent" means the chief administrative officer of the Bloomington Public Schools, District 87, Bloomington, Illinois.

1.3.3 "Work Location" means school or building.

1.3.4 A "part-time Employee" is an Employee who is normally scheduled to work less than forty (40) hours per workweek.

1.3.5 A "temporary Employee" is an Employee hired to perform work during the summer months, to meet surges in workload which will not result in regular full-time employment, or to fill in when a regular full or part-time Employee is on leave or vacation.

1.3.6 Whenever the singular is used, it shall include the plural. Whenever a masculine term is used, it shall include the feminine.

ARTICLE 2: EMPLOYER--UNION RELATIONS AND RESPONSIBILITIES

2.1 Employer Rights Except as specifically restricted by the express language of this Agreement, the Employer retains the right to manage the School District and direct the working forces in the manner it determines to be in the best interests of the School District. Such right includes, but is not limited to, the right to hire, assign, schedule, promote, demote, transfer, layoff, discipline and discharge Employees; to relieve Employees from duties because of lack of work or other legitimate reasons; to determine the work to be performed by Employees, the size of the work force, and the manner in which work is to be performed; and to establish and enforce reasonable rules and regulations applicable to Employees which are not in conflict with any provision of this Agreement.

2.2 Fair Share Employees identified in paragraph 1.1 shall, on or before thirty (30) days from the date of completion of probation, join the Union or pay a fair share fee to the Union equivalent to the amount of dues required of members of the Union, including local, state and national dues. The Union will provide to the Employer a list of such Employees on October 1, February 1, April 1, and July 1 of each year.

2.2.1 Non-Union Employees under contract as of July 1, 1993, will be held harmless for fair share during their current tenure with the District.

2.2.2 Deductions of dues will be in accordance with the provisions of paragraph 2.3 except where alternate arrangements for payment have been approved by the Union.

2.2.3 In the event that the Employee does not pay his fair share fee directly to the Union by a certain date as established by the Union, the Employer shall deduct the fair share fee from the wages of the non-member. The Union will, four (4) times a year, submit to the Employer a listing of such Employees on the dates in 2.2 above. Deductions will begin on the first paycheck which is at least two (2) weeks after the list is submitted by the Union.

2.2.4 In the event of any legal action against the Employer brought in a court or administrative agency because of its compliance with this Section, the Union agrees to defend such action, at its own expense and through its own counsel, provided:

(a) The Employer gives immediate notice of such action in writing to the Union, and permits the Union intervention as a party if it so desires; and

(b) The Employer gives full and complete cooperation to the Union and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels.

The Union agrees that in any action so defended, it will indemnify and hold harmless the Employer from liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer's compliance with this Article.

(a) It is expressly understood that this save harmless provision will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the Employer or the Employer's imperfect execution of the obligations imposed upon it by this Section.

2.2.5 The obligation to pay a fair share fee will not apply to any Employee who, on the basis of a bonafide religious tenet or teaching of a church or religious body of which such Employee is a member, objects to the payment of a fair share fee to the Union. Upon proper substantiation and collection of the entire fee, the Union will make payment in behalf of the Employee to a mutually agreeable non-religious charitable organization as per Union policy and the Rules and Regulations of the Illinois Educational Labor Relations Board.

2.2.6 The Employer is expressly relieved of all dues deduction liability with regard to:

- (a) Insufficient earnings to cover deductions;
- (b) Unpaid dues in areas where the Employer has complied with its deduction responsibilities; and
- (c) The dues of Employees no longer employed by the Employer or Employees on unpaid leaves of absence.

The Employer shall remit said deduction to the Union within ten (10) days following the end of the month.

2.3 Union Dues The Employer, on written authorization by an Employee, agrees to deduct regular dues and initiation fees, if any, from an Employee's earnings each payday. Such check-off authorization card shall specify the amount to be deducted from each paycheck and the effective date of such authorization. The authorization cards, in a form approved in advance by the Employer, shall be furnished by the Union.

2.3.1 The Union shall notify the Employer, in writing, of the name and address of the Union official to whom such deductions shall be transmitted.

2.3.2 The Union and the Employer agree that any authorization for dues deduction shall be voluntary on the part of the Employee and such authorization may be revoked upon written notice to the Employer within fifteen (15) days after the effective date of this Agreement. The Employer shall notify the Union in writing within ten (10) days after receipt of such dues revocation from the Employee. After the fifteen (15) day period, the Employee may not revoke such dues authorization during the term of this Agreement.

2.3.3 The Union shall indemnify and save the Employer harmless against any and all claims, demands, or other forms of liability which may arise out of or come into being by reason on any action taken or not taken by the Employer for the purpose of complying with the provisions of this Section.

2.4 Discrimination Against Employees The Union and the Employer agree that they will not practice discrimination or discriminate against any Employee because of race, creed, color, national origin, religion, sex, age, marital status, military status or unfavorable discharge, physical or mental disability if otherwise able to perform the essential functions of the job with reasonable accommodation.

2.4.1 Complaints of unlawful discrimination shall be resolved through the appropriate statutory procedure. However, this shall not be construed to create an exception to the application of Article 3 of this Agreement.

2.5 Union Membership and Activity Employees shall have the right to organize, join, and assist the Union, and to participate in professional negotiations with the Employer as provided in this Agreement through representatives of their own choosing; provided, however, nothing herein shall be construed as sanctioning any action which is inconsistent with the terms of this Agreement. Neither the Employer nor the Union will discriminate on the basis of Union membership or nonmembership, lawful Union activity or refusing to engage in such activity, participation in negotiations, or the adjustment of grievances.

2.5.1 The Union and the Employer agree that Union membership is entirely a matter of the Employee's free choice and determination.

2.5.2 Employees shall not solicit membership in the Union or carry on any Union activity during normal working hours as established by this Agreement.

2.6 Use of Employer's Facilities The Employer agrees that the Union may use the Employer's facilities for lawful Union activities involving only Employees covered by this Agreement, provided such use does not interfere with the regular school operation. The use of such facilities shall be subject to all rules, conditions, and policies governing the use of such facilities. When applicable, the Union shall pay the regular charge for the use of such facilities.

2.6.1 Upon approval of an Application and Permit for Use of School Properties, the Union shall have the right to schedule Union meetings and activities on school property in accordance with the conditions specified in paragraph 2.5 of this Agreement.

2.6.2 The Union shall be permitted to post notices of meetings and other pertinent information regarding lawful Union activities on a bulletin board at each work location.

2.6.3 The Union shall be permitted to use the School District delivery service for communications to the Employees within a work location and system-wide; provided, however, political campaign materials so distributed shall be enclosed in separate envelopes. A copy of all materials sent by such delivery service shall be given to the Director of Facilities at the same time such materials are deposited with the delivery service.

2.7 Discipline The Employer understands that it may be desirable for an Employee to be represented by the Union at some meetings scheduled by the Employer.

2.7.1 If the Employer is investigating a matter involving an Employee which may reasonably lead to discipline, representatives of the Employer may discuss the matter with such Employee without a representative of the Union being present. However, it is understood and agreed that a meeting to discuss a pending or potential disciplinary matter will be held prior to issuing any written disciplinary action; and prior to scheduling such meeting, the Employee will be given written notice as to the nature of the meeting and informed of his right to be represented by a Union representative at such meeting.

2.7.2 A copy of any written disciplinary action shall not be placed in the Employee's personnel file without first giving the Employee a copy of the written disciplinary action and the opportunity to place a written response to such disciplinary action in his personnel file.

2.7.3 The parties recognize that the Employer may take immediate action in response to an arrest of an Employee when the arrest involves a matter which could impact the operation of the District. Such actions could include temporary reassignments, leaves of absence with or without pay at the discretion of the Employer, or other similar measures. Such actions are not considered discipline and are not subject to "just cause". However, any discipline imposed upon an Employee as result of an arrest, or events leading up to an arrest, are subject to "just cause".

2.7.4 Disciplinary action will be imposed upon an Employee only for just cause. Any disciplinary action imposed upon an Employee may be processed as a grievance through the regular grievance procedure set forth in Article 4 of this Agreement.

2.8 Review of Personnel File At the mutual convenience of the Employee and the Office of Personnel Services, such Employee shall have access to his personnel file. At the Employee's request a representative of the Union may accompany him in such review. There shall be one personnel file for each Employee which shall contain all records and information except confidential material. The term "confidential material" refers to letters or references for such Employee and any material protected from disclosure pursuant to 820 ILCS 4/1 through 820 ILCS 40/12.

2.9 Outside Contracting Work which can be performed properly, safely, and economically the District's Employees will ordinarily be assigned to such Employees.

2.9.1 The Employer, however, reserves the right to contract for work which it deems necessary or desirable in accordance with sound principles of school administration.

2.9.2 The Employer shall have the absolute right to subcontract work where no bargaining unit Employee who would customarily perform the work is laid off as a direct and proximate result of the decision to subcontract.

2.10 Rules and Regulations The Employer agrees that its rules and regulations covering Employee conduct shall be reasonable, and enforcement of said rules and regulations shall be reasonable and equitable.

2.11 Assault Upon an Employee The Employer and the Union agree that assaults on Employees are a matter of grave concern.

2.11.1 Employee shall promptly report to his building principal, or other person designated by the Director of Facilities, any alleged case of assault on such Employee while performing his assigned duties.

2.11.2 The Employer shall render reasonable assistance, including legal counsel, to such Employee in connection with any prosecution by the State's Attorney or other public prosecutor of the person who allegedly assaulted such Employee. No deduction from such Employee's wages or leave will be made because of time lost by such Employee at the request of such authorities to assist in any such prosecution. An Employee may at his option have a Union representative present at any meeting held under this paragraph between such Employee and the legal counsel selected by the Employer.

2.12 Surveillance

2.12.1 The purpose of surveillance equipment is to secure the buildings. The purpose of surveillance equipment is not to evaluate the performance of employees or to monitor their behavior or conduct.

2.12.2 Surveillance shall only occur in common areas including, among others, hallways, parking lots, grounds, cafeterias, and gymnasiums. Surveillance equipment will not be utilized to observe employee performance or otherwise be accessed as documentation in the employee evaluation process.

2.12.3 Data from the surveillance equipment may be reviewed by the District's personnel in connection with investigations of suspected criminal conduct or security violations or incidents. Access to data involving District personnel will be limited to appropriate administrative personnel and police liaison officers. Such review will take place in the office of one of the parties listed above. If the review of data inadvertently reveals alleged incidents of employee misconduct, the following process will be followed:

- (a) The employee and the Association will be notified if the District intends to investigate the alleged employee misconduct incident. Such notification shall be in writing.
- (b) The Association representative or the Employee's representative may review the data depicting the alleged employee misconduct.
- (c) The employee has the right to be represented in all investigatory meetings regarding alleged misconduct unless the employee declines representation. For further information see Section 2.7 of this Agreement.
- (d) Any discipline that may be imposed against the employee as a result of the misconduct investigation shall be in accordance with the applicable provisions in this Agreement

2.12.4 Data from surveillance equipment may be stored for up to thirty (30) calendar days unless there is cause to believe that such data would document a criminal or security incident.

2.12.5 At the time surveillance equipment is activated in each school building, all employees at that school shall be informed in writing, of the use of the surveillance equipment. All new employees will be notified in writing, of the use of the surveillance equipment as part of new employee orientation.

ARTICLE 3: STRIKES AND LOCKOUTS

3.1 No Strikes The Union agrees there shall be no strike, withholding of services, slow-down, mass resignations, mass absenteeism, picketing, or other refusal to render full and complete service to the Employer during the term of this Agreement. The Union also agrees that it will not authorize or encourage any interruption of service, including sympathy strikes or similar actions.

3.1.1 In the event of an interruption of service, the officers of the Union will immediately order its members to return to work.

3.1.2 Any Employee participating in any activity prohibited by this Section will be discharged by the Employer. Should the discharge be challenged through the grievance procedure, the only issue for the arbitrator shall be whether the Employee participated in the action. The arbitrator may not issue a lesser penalty.

3.2 No Lockouts The Employer agrees that during the term of this Agreement it will not lock out any Employee covered by this Agreement in connection with any labor dispute with the Union.

ARTICLE 4: GRIEVANCE PROCEDURE

4.1 Definition A grievance is a claim by the Union or an Employee that the Employer has violated, misinterpreted, or misapplied this Agreement.

4.2 Procedures Grievances shall be processed as rapidly as possible. The number of days indicated at each step shall be considered a maximum and every effort shall be made to expedite the process. All time limits shall consist of normal workdays. A grievance shall be processed as follows:

4.2.1 **Step One.** An attempt shall be made to resolve any grievance by informal discussion between the Employee and his immediate supervisor. Such discussion shall be held at a time agreeable to the Employee and the supervisor.

4.2.2 **Step Two.** If the grievance cannot be resolved at step one, the aggrieved Employee may file the grievance in writing with the Director of Facilities. Such grievance shall be filed within ten (10) days after the date of occurrence of the facts upon which the grievance is based. The written grievance shall state the facts involved, the provision(s) of this Agreement which the Employer allegedly has violated, and the relief sought. Within ten (10) days after such written grievance is filed, the aggrieved Employee and Director of Facilities or other administrator who has authority to make a decision on the grievance shall meet to resolve the grievance. Within ten (10) days after such meeting, the Employee and the Union shall receive a written response to the grievance which shall explain the Employer's reason(s) for the decision on the grievance.

4.2.3 **Step Three.** In the event the grievance has not been satisfactorily resolved at step two, or the step two time limits expire without the issuance of a written reply, the Union may file a written appeal of the grievance with the Superintendent of Schools by giving written notice of such appeal within ten (10) days of the step two answer or the expiration of the time limit for the step two answer. A copy of such appeal also shall be filed with the administrator who prepared the step two answer. Within ten (10) days after such appeal is filed, the aggrieved Employee, a Union representative, and the Superintendent or his designee shall meet to resolve the grievance. Within ten (10) days after such meeting, the Superintendent or his designee shall give the aggrieved Employee and the Union a written answer to the grievance which states the reasons for the decision of the Superintendent or his designee.

4.2.4 **Step Four.** If the step three answer is not acceptable to the Union or the step three time limits expire without the issuance of a written reply, the Union may appeal the grievance to final and binding arbitration by giving written notice of such appeal within twenty (20) days after receipt of the step three answer or expiration of the time limit for the step three answer. If the Employer and the Union cannot agree upon an arbitrator within seven (7) days after the Union files such appeal, the American Arbitration Association will be requested to provide a panel of seven (7) arbitrators. Either party may reject the first panel of arbitrators by giving the other party written notice of such rejection. Upon receipt of an acceptable panel of arbitrators, the parties shall meet at a mutually agreed time, and each party alternately shall strike one name from the panel until only one name remains, who shall be the arbitrator for the given grievance. The first party to strike a name shall be determined by coin flip. Such arbitration shall be under and in conformance with the "Voluntary Labor Arbitration Rules" of the American Arbitration Association; provided, however, if the parties mutually agree, such arbitration may be conducted under the "Expedited Labor Arbitration Rules" of such Association.

(a) Neither the Employer nor the Union shall be permitted to assert an argument or evidence before the arbitrator which was not previously disclosed to the other party.

- (b) The arbitrator shall have no authority to alter, delete, or add to the terms of this Agreement.
- (c) Each party shall bear the full cost for its representation in the arbitration. The cost of the arbitrator shall be divided equally between the parties.
- (d) If either party requests a transcript of the proceedings, that party shall bear the full costs of the transcript. If both parties order a transcript, the cost of the two (2) transcripts, or three (3) transcripts if the arbitrator requests a copy, shall be divided equally between the parties.

4.3 Other Provisions The following, when applicable, shall apply in processing a grievance:

- 4.3.1 If the Union and the Superintendent or his designee mutually agree, lower steps of the grievance procedure may be by-passed and the grievance taken directly to step four of this grievance procedure.
- 4.3.2 Class grievances involving one or more Employees may be initially filed by the Union at step three.
- 4.3.3 The Employer acknowledges the right of the Union's grievance representative to participate in the processing of a grievance at any level, and no Employee shall be required to discuss any grievance if the Union representative is not present.
- 4.3.4 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants.
- 4.3.5 A grievance may be withdrawn at any level without establishing a precedent.

ARTICLE 5: HOURS OF WORK

5.1 Normal Workday The normal workday is eight (8) consecutive hours with the exception of regular breaks and unpaid meal periods. The normal workday for the day shift shall start at times which appropriately coordinate with the start of the school day in each building and the normal workday for the night shift shall start at 3:00 p.m., except where it is necessary for the Director of Facilities to make other arrangements for the best operation of the School District.

- 5.1.1 Employees on the day shift shall have the option of taking either a one (1) hour or one-half (1/2) hour unpaid meal period on the days school is in session provided the one-half (1/2) hour meal period does not result in over-time. There shall be a one-half (1/2) hour unpaid meal period for Employees on the night shift and for Maintenance Employees. All such meal periods shall be scheduled in a manner which keeps a work force on duty for special projects which require day and night shift Employees working together.
- 5.1.2 There shall be a one-half (1/2) hour unpaid meal period on all shifts on days when school is not in session, except where it is necessary for the Director of Facilities to make other arrangements for the best operation of the building.
- 5.1.3 Employees are required to take a meal period within five (5) hours of the start of work when they work a regular eight (8) hour shift.
- 5.1.4 An Employee can be required to work only a maximum of sixteen (16) hours in a normal workday which must be followed by a minimum of eight (8) hours off the job time, except in the case of an extreme emergency.

5.2 Normal Workweek The normal workweek shall consist of five (5) consecutive normal workdays occurring Monday through Saturday. An Employee's scheduled workweek shall be on a regular basis, except as hereinafter set forth. The workweek shall commence with the start of the day shift on Monday.

- 5.2.1 Temporary changes in the scheduled workweek may be made by the Director of Facilities when school is not in session and/or when it is necessary to meet the operational needs of the Employer.

5.2.2 The least senior Employee or Employees shall be assigned to work a Tuesday through Saturday workweek, unless a more senior Employee requests such workweek, and provided such Employee or Employees are qualified to perform the work required. For the purpose of applying this paragraph, seniority shall be determined in the applicable job classification at the building or buildings involved.

5.2.3 An Employee may voluntarily agree to accept a split shift workweek consisting of workdays on Monday through Thursday and Saturday. The Employer and the Union agree that it is not the intent of this Section to avoid overtime situations by its implementation.

5.2.4 The Employer shall require all Employees to take off at least twenty-four (24) consecutive hours of rest in each calendar week (Sunday through Saturday) in addition to the regular period of rest allowed at the close of each working day. Individual cases with work required due to a breakdown of machinery or equipment is an allowed exception. Part-time Employees are included in this requirement when exceptional circumstances cause them to work beyond their part-time assignments.

6.1.1 Holidays which fall on a calendar Saturday will be observed on the preceding Friday, and holidays which fall on a calendar Sunday will be observed on the following Monday; provided, however, if observance of any such holiday would fall on a day when school is scheduled to be in session, observance of such holiday will be mutually agreed to by the Employer and the Union and scheduled for a day when school is not in session.

Notice of decision will be given within two (2) working days upon receipt of the request, if the request is denied, such written notice will be provided to the Employee and will include the reasons for denial. The District, upon written request from the Association, will provide reports regarding the status of all paid leave. Working days will exclude Saturdays, Sundays, and holidays.
