ARTICLE IV

GRIEVANCE PROCEDURE

4.1 Definitions

- 4.1.1 A grievance is a claim by the Association, an employee, or group of employees that there has been an alleged violation, misinterpretation, or misapplication of the terms of this agreement.
- 4.1.2 All time limits shall consist of school days, except when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays.
- 4.1.3 Nothing contained herein shall be construed as limiting the right of any employee having a potential grievance to discuss the matter informally with Executive Director and having the potential grievance adjusted, provided an adjustment is not inconsistent with the terms of the Agreement.

4.2 Procedures

Step 1

The grievant or Association shall present the grievance in writing within twenty (20) days of the occurrence of the event giving rise to the grievance specifying the article and clause alleged to have been violated and stating the remedy sought, to the Executive Director. The Executive Director shall arrange for a meeting to take place within ten (10) days after receipt of the grievance. The Executive Director, his/her representative, the Association's representative and the grievant may be present at the meeting. The Executive Director shall provide a written answer to the grievance of the aggrieved employee within ten (10) days after the receipt of the grievance.

Step 2

If the grievance is not resolved at Step 1, the grievant or Association may refer the grievance to the Board within ten (10) days after the receipt of the Step 1 answer. The Board Chairperson shall appoint a committee of three Board members who shall arrange for a meeting to take place within ten (10) days of the Board Chairperson's receipt of the appeal. Following the hearing, the Board, at its next regularly scheduled meeting, will consider the grievance and provide the grievant with the Board's written response.

Step 3

If the Association is not satisfied with the disposition of the Grievance at Step 2, the Association may submit the grievance to final and binding arbitration through the American Arbitration Association which shall act as administrator of the proceedings. If both parties mutually agree, the

Expedited Arbitration Rules of the American Arbitration Association may be used instead of the Voluntary Labor Arbitration Rules. If a demand for arbitration is not filed within thirty (30) days of the date for the Step 2 decision, then the grievance shall be deemed withdrawn.

- A. Costs of Arbitration - The fees and expenses of the arbitrator shall be shared equally by the parties. The parties shall each be responsible for the costs of their own representation. If only one (1) party requests a transcript, that party shall bear the costs of the transcript. If both parties request a copy of the transcript, the cost of the transcripts shall be equally divided by the parties. If only one (1) party requests the postponement of an arbitration hearing, that party shall bear the costs of such postponement. If both parties request postponement they shall share equally any per diem costs, if any, assessed by the arbitrator.
- B. The decision of the arbitrator shall be final and binding on the parties. The arbitrator, in his opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the agreement. The arbitrator's decision shall be based on the interpretation or application of the express relevant language of the agreement.

4.3 Association Participation

The Board acknowledges the right of any representative to be present at any step of the formal grievance procedure, but this shall not limit the grievant's right to discuss the grievance informally with his/her immediate supervisor without the presence of a representative. No employee shall be required to discuss any grievance if the Association representative is not present, if one is requested.

4.4 Failure to Act

Failure of an employee or the Association to act on any grievance within the prescribed time limits will bar any further appeal. Also, if the Board or its designee fails to respond to a grievance within the prescribed time limit, the grievance will proceed to the next step. Time limits may be extended by mutual consent.

4.5 Bypass

If the Board and Association mutually agree, any step of the grievance procedure may be bypassed.

4.6 Released Time

Any investigation or other handling or processing of any grievance by the grievant or the Association shall be conducted so as to result in no interference with, or interruption whatsoever of, the instruction program or the related work activities of the grievant or of the District's employees. However, if the arbitrator requests the presence of an employee during the arbitration hearing, the employee shall be released from his/her duties without loss of pay.

4.7 Election of Remedies

If the Association or any employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the Board shall not be required to process the said claim or set of facts through the grievance procedure.

4.8 Grievance Withdrawal

A grievance may be withdrawn at any level without establishing a precedent.

4.9 Class Grievance

Class grievances involving one or more employees may be initially filed by the Association at Step 1 of the grievance procedure.

No reprisals shall be taken by the Board or the administration against an employee because of participation in a grievance.

All records related to a grievance shall be filed separately from the personnel files of the employee.

We will follow state law regarding posting of seniority (currently the date is February 1).
